Winery: The early California Mission-style winery, designed by Napa architect Robert Gianelli and completed in 1990, is an expression of Groth wines — uniquely Californian. Production, aging and office facilities total 48,000 square feet.

Visitors: The winery is open for tastings by appointment daily at 750 Oakville Cross Road, Oakville, CA. Visit [www.grothwines.com/experience](http://www.grothwines.com/experience) or call 707.754.4254 for reservations.
