2019 RESERVE CABERNET SAUVIGNON

Robb Report

One of Oakville's 'outstanding Cabernet Sauvignons'

“This two-mile-wide stretch of Napa Valley was granted American Viticultural Area status in 1993. Today it hosts 5,000 acres of grapes and more than 70 producers and growers whose wines are among the foremost Cabernet Sauvignon and red blends in the world. Among Oakville's historical highlights are Heitz Cellars bottling of California's first “vineyard designate” wine, its Heitz Cellars 1966 Martha's Vineyard Cabernet Sauvignon, and **Groth Vineyards & Winery 1985 Cabernet Sauvignon Reserve receiving 100 points from Robert Parker's Wine Advocate, the first ever perfect score for a wine from California.**”

“Groth wines consistently garner high points from well-respected wine critics, and the 2019 is a great example for why this trend continues. This delightful wine is composed of 95 percent Cabernet Sauvignon grown on their 27-acre estate with 5 percent Merlot coming from the Hillview Vineyard. This ruby-colored wine introduces itself with a bouquet of blueberry, black raspberry, and pastry crust. In the mouth, it has flavors of ripe blue and black fruits, ripe red cherry, and dark chocolate. The tannins are smooth and rounded making this wine perfect to drink now, but if you lay a few bottles down for up to a decade, you will be well rewarded for your patience.”

2019 RESERVE CABERNET SAUVIGNON

94
PTS

“A terrific Oakville effort loaded with pure cassis fruit as well as notes of spicy oak, scorched earth and tobacco. Classic Napa Cabernet in every way, it’s medium-to full-bodied, has ripe, polished tannins, a terrific spine of acidity, and the balance and purity to evolve for 20-25 years.”

“A fresh, overt style, with a lovely beam of red currant, bing cherry and raspberry paste stitched together with flickers of anise, sassafras and bramble. Delivers a pretty violet echo on the fruity finish. Best from 2023 through 2037.”
