“While nicely polished and velvety, this wine boasts extremely deep black fruits and full, encompassing tannins that will need several years to resolve for optimum drinking pleasure. Blackberries, blueberries, cinnamon and cloves crowd the palate.”

“Expressive blueberry and black cherry fruit are intertwined with cedarwood, dusty minerals, sagebrush and loamy soil. Voluminous on entry, with upfront crystalline red berry fruits and chalky, powdery tannins underscored by tart acidity, resolving with more layers of blueberry fruit, baking spices, warm soil and toasty oak.”
