P T S

“Rich and luscious aromas of ripe plums and blackberries sprinkled with baking spices carry into flavorful black fruits layered with oak spices. Fine-grained tannins coat the mouth, balanced by juicy acidity that freshens the palate through a long finish. Impressive persistence.”

“Ripe blackberries, sweet spices, crushed walnuts, cedar and wet stones. Some iodine, too. Full-bodied, firm and structured with chalky texture to the tannins and juicy acidity. Polished and even.”
