2021 RESERVE CABERNET SAUVIGNON

96
PTS

“Ripe and with a bit of flash thanks to its glossy toast, this red delivers a violet-accented core of cassis and plum reduction, with black licorice, sweet tobacco and singed alder notes. Solid and steady through the lengthy, polished finish, with a flash of flinty minerality lurking in the background. Drink now through 2040.”

—James Molesworth, *Wine Spectator*

"Full-bodied and framed by supple, fine-grained tannins and building finesse in its dusty dried violets, rose petal florals, and dusty mineral backbone. A nice, long, pleasant finish rounds out this polished Reserve Cabernet. Certainly one for the cellar, but incredibly pleasing at the pull of the cork today."

—Jonathan Cristaldi, *Decanter*
