“A well-crafted, balanced and textural red that’s refined and controlled. Aromas of blackberries, black plums and cedar dominate on the nose. Full-bodied with fine, firm tannins. Harmonious and pulpy with a flavorful finish and excellent length.”

—James Suckling

“The 2021 Oakcross delivers notes of black cherries, cedary oak, loamy earth and dried spices. It’s full-bodied, rich and expansive, picking up hints of vanilla and mocha on the lingering, supple finish.”
