2024 ESTATE SAUVIGNON BLANC OAKVILLE, NAPA VALLEY

“Groth’s Oakville Estate Sauvignon Blanc is very much in line with the Groth Napa bottling in 2024. The aromas are more subtle, led by citrus and orchard fruit, with white flowers and honeyed almond. There is a touch more oak presence on the palate, which carries nice weight and a silky texture, finishing with a hint of vanilla and tangerine oil. A real pleasure to drink.”

“A wine characterized by bold scents of honeyed fig and melon, with just a hint of pencil shavings. It's medium- to full-bodied, expansive, generous, and even rich across the mid-palate, then tightens up nicely on the finish, ending clean and lemony.”
